

SYMBIZ NETWORK™

June 28, 2024

Dear Business Owner/Leader,

You are invited to a free breakfast meeting to introduce Symbiz Network. We welcome anyone in the community who may have questions about Symbiz—what it is, what we promote, and who we serve.

Symbiz Network is a nonprofit organization that started to help Anabaptist business owners, CEO/general managers, and leaders support one another in small peer groups. These groups, called Growth Rings, meet monthly to help each other be the best we can be for our families, business associates, church brethren, and neighbors. We discuss business challenges, learn together, and hold each other accountable to goals.

Symbiz is sponsoring a no-obligation informational meeting in your area, which will include:

- Benefits of joining a peer group
- A preview of a Growth Ring session
- How joining a Growth Ring helps perpetuate a biblical Anabaptist community
- How to join a Growth Ring
- Last but not least – a hearty breakfast

Applications will be accepted at the meeting to see who is interested in joining, in order to form new groups in the area. *We are launching a virtual group for conservative Anabaptist women in business (business leaders' wives, single women or widows in business, etc.). If you know of women who might be interested, please share this invitation with them.*
